

DESSERT

Affogato 5

House-made soft serve ice cream “drowned” in a shot of espresso.

Ice Cream 3

We have our very own soft-serve machine and we know how to use it. Steven doesn't.

Cheesecake 7

And then there was Cheesecake. Served with a house made sauce or compote (ask your server for today's selection).

Ice Cream Sundae 5

Soft serve with a delicious topping and a dollop of whipped cream. What could be better?

Pie 6

Ask your server about today's homemade selection. Can you have ice cream on that? Why yes, of course you can (+\$1).
