AFTER DINNER DRINKS

Because there’s really no better or more civilized way to end your meal than with...

Espresso or coffee (ours is the best in town- we use B&W Coffee)

An espresso milkshake (picks you up)

A nice glass of sherry or port (nothing makes you feel more genteel)

A lovely digestif, such as Cognac, B&B, Amaro or Grand Marnier (aids in digestion)

One of our incredible adult milkshakes (see other side)
